

Hotel San Marco

Verona unveils a new landmark in the world of wellness! Easily accessible and conveniently located Hotel San Marco City Resort & SPA is proud to offer its guests its exclusive services in a delightful setting where modern and classic style tastefully blend together.

The fitness centre, spread over 800 square metres, boasts the very latest state-of-the art fitness equipment, as well as a UVA solarium equipped with 'Sportarredo' technology. Hotel San Marco City Resort & SPA's valued guests can also enjoy the use of an indoor swimming pool, equipped with jacuzzi and waterworks, and of a relaxation and refreshment area.

To further enhance a truly unique wellness experience, the full service SPA offers an extensive range of treatments and facilities such as Kneipp herbal bath, thermarium, Turkish bath, sauna, multi-function showers. During the warmer months our guests can also relax and unwind in the garden or taking a dip in the outdoor pool to wash away the fatigue of a busy day.

Hotel San Marco City Resort & SPA features 112 hotel rooms and suites and a wide range of meeting facilities - thanks to its 11 meeting rooms that can host up to 400 people - as well as a restaurant and ample car parking space, both indoor and outdoor.
